NO ONE TO BLAME. So Says the Coroner's Jury in the Case of the

Death of W. W. Reynolds. The new coroner, M. M. McAlister, had they had a very intelligent and clear array of evidence before them.

Six or seven witnesses were sworn and perintendent O'Neil of the Citizens Electric to advance. Light company, George Bradford the col-ored man who cut down the tree that broke the wire, and Lineman Childers of the Thompson-Houston Electric Light

Mr. O'Neil testified that he received a telephone message at exactly 5 o'clock p. m., stating that a wire was down in the vicinity of Diver's barn. He located one of his linemen at Mr. Blackwelder's residence in the Sedgwick block, and immediately telephoned Mr. Holorook to call the hueman to the 'phone.

The lineman came to the phone and Mr. O'Neill told him to drop his work in the down and to repair it with all possible do so promptly and Mr. O'Neill called up M. Bartholomew of Wichita came in as

Mrs. May Davidson who has been visitng her parents for the last mouth on South Emporia avenue, will start this morning for Ashtabula, O., where she intends to make her future come. "She had cream-colored hair and freekles crived a letter from her trushand yesterday about the size of a veal cutlet."—Uncle saying the snew was over a foot deep and

Hiram.

"You're all right in your way, but you don't weigh anything."—Uncle Hiram.

"You've got me rified and you'll find I'm bigger than a yard of pump water."

Uncle Hiram Milks a Cow.—"We had a Sunday at Aniale and reports a good attendance considering the unpropertions.

the Douglas, and at the box office. A large and ence greeted Richards and Pringle's Georgia Minstrels at the Cluule opera house last night. The entertainment was a very pleasing one. Billy Kernamands, whose trade mark is his hig mouth, and Tom Brown, Ed and Frank Mallory, were the principal fun-makers, who occurs point both ends of the "circla," and perpetrated old and new gags, sang comic ditties, and kept the andience in good humor. J. W. Watts, the tener singer, has a fine voice, and was called upon to repeat his song a number of times. Another entertaining feature was the marching and batton exercises of several draws dancers in the same are a number discovered by the same are a number discovered by the same are a number of times.
